

Turning Point Easter at Buddy Holly Hall

(Please carefully read through the information provided)

Join us now as we pray.....

- for people to be drawn to Buddy Holly Hall this Easter; either those who are coming for the first time or the first time in a long time.
- for decisions to follow Christ to be made.
- for people to encounter the Holy Spirit.
- for a hedge of protection around our staff, our volunteers, and the logistics of the weekend.
- to thank God for all He is doing in our city through Turning Point.

Vision: REACH

Recognize: With your eyes; with your voice; with their name.

Engage: With a smile; with a handshake; with a hug; with a conversation.

Assist: With questions; with finding a place or person; with a helping hand.

Connect: To a group; to a ministry; to Jesus.

Honor: As they arrive; with your words; as they leave.
